Research Analysis

The 2nd proposed committee substitute to HB 2533 requires the Office of Management and Enterprise Services to contract for the study, analysis, and planning on the feasibility of consolidating all computer systems for state, county, and municipal law enforcement agencies, district attorneys, the Department of Corrections, the Oklahoma State Bureau of Investigation, the Oklahoma Bureau of Narcotics and Dangerous Drugs Control, and the Department of Public Safety. The study is to examine the cost to develop a statewide criminal justice information network that will ensure seamless communication and data collection among the law enforcement agencies in the state.
