

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB 2540
Version:	INT
Request Number:	5935
Author:	Rep. O'Donnell
Date:	2/21/2023
Impact:	No Impact

Research Analysis

HB2540, as introduced, requires school districts to spend at least 65 percent of their operational expenditures on classroom expenditures. Classroom expenditures are defined in the bill as activities directly associated with the interaction between teachers and students including, but not limited to, teacher salaries and benefits, classroom supplies, and instructional materials and services.

Prepared By: Emily Byrne

Fiscal Analysis

As written, the measure is not anticipated to result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
