

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB2845
Version:	PCS1
Request Number:	7277
Author:	Rep. Caldwell, Trey
Date:	2/23/2023
Impact:	\$0

Research Analysis

The proposed committee substitute for HB 2845 prohibits a retail electric supplier from extending its service to an unincorporated area that is not its own property, and to which it is not the closest provider, unless the connected load for initial full operation of the facility is expected to be 10,000 kw or larger. This is an increase over the previous cap of 1,000 kw.
