Fiscal Analysis

From Oklahoma Insurance Dept:

It appears there are quite a few items added that could result in more violations than we are experiencing now. In addition to some reports that OID will have to ensure are redacted and shared to the website. With that said, we have a starting estimate of this legislation resulting in us needing to hire possibly 1 FTE with a cost of about \$80-100k with benefits per year, to OID's budget.
