Research Analysis

HB 2965 as introduced, allows horse races that are held at racetracks licensed by the Oklahoma Horse Racing Commission to be televised out-of-state, out-of-country, or to other racetracks licensed by the Commission.

Fiscal Analysis

As the Oklahoma Horse Racing Commission (Commission) is a non-appropriated state agency, and this measure gives the Commission the ability, but does not require the Commission to televise it's races at other racetracks, there should be no fiscal impact to the state.
