Fiscal Analysis

HB 2968 removes the ability of Service Oklahoma to deny vehicle registration renewal due to unpaid tolls owned to the Oklahoma Turnpike Authority (OTA). There would be no fiscal impact to the collection of motor vehicle registration renewals as renewal costs remain due regardless of any unpaid tolls to the OTA. Service Oklahoma estimates the implementation of this measure to cost Twenty-three Thousand dollars (\$23,000.00) and take approximately two to three weeks to complete. It is expected that Service Oklahoma would absorb this cost within current budgetary resources.
