Research Analysis

The proposed committee substitute to HB 3104 makes several changes to franchise auto dealers relationships. The measure modifies definitions used in the Act and prohibits a manufacturer from withholding from the dealer its proportionate share of vehicles distributed to dealers of the same line-make during the 10 year period following facility construction. The measure requires manufacturers or distributors to purchase a dealer's existing dealership facility under certain circumstances. A manufacturer and distributor is required to maintain records for 3 years. The measure outlines the sales procedure for the purchase of a terminated franchise by the factory and distributor.
