

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	HB3194
Version:	CS
Request Number:	10193
Author:	Rep. Newton
Date:	3/6/2024
Impact:	\$25,000/year

Research Analysis

The CS for HB 3194 requires flow meters on all non-domestic use water wells, which are regulated by the Oklahoma Water Resources Board.

Prepared By: Tricia Hines

Fiscal Analysis

According to the Oklahoma Water Resources Board (OWRB), it would need to increase the staff by about 0.25 FTE, which OWRB estimates the cost to be Twenty-five Thousand Dollars (\$25,000.00). This staff person would be used for program development and enforcement. Therefore, the fiscal impact of this measure is \$25,000 per year to the state budget.
