

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	HB3453
Version:	FA1
Request Number:	10666
Author:	Rep. Boatman
Date:	3/14/2024
Impact:	\$0

Research Analysis

The floor substitute for HB 3453 defines *artificial intelligence* and *real person* and provides eight ways Oklahomans are entitled to declarations about, and protections from, the use of AI, such as when legal documents are not reviewed by a real person; notification when images or text are generated entirely with AI; protection against algorithmic discrimination; and data privacy provisions.

CHANGES FROM THE INTRODUCED VERSION:

The floor substitute removes the section naming the measure the *Oklahoma Artificial Intelligence Bill of Rights*, and adds details to the eight provisions.

Prepared By: Tricia Hines

Fiscal Analysis

The floor amendment to HB 3453 establishes various rights the citizens of Oklahoma are entitled to regarding interactions with artificial intelligence. This measure is unlikely to result in a fiscal or revenue impact to the state.

Prepared By: Jay St Clair, House Fiscal Staff

Other Considerations

None.
