Research Analysis

HJR1028, as introduced, is a constitutional amendment establishing the Oklahoma Veterans Lottery Trust Fund with proceeds from the Oklahoma Veterans Lottery game. The funds will be used to provide grants for veterans' organizations, individual veterans and their families, indigent veteran funerals, and veteran outreach programs. An eight-member board of governors will oversee the fund and the State Board of Equalization is required to annually review appropriations to the fund. The Legislature is prohibited from using these funds to supplant or replace other state funds supporting the military, veterans or their families.
