Fiscal Analysis

SB 1371 transfers the Office of Homeland Security from the Oklahoma Department of Emergency Management (OEM) to the Department of Public Safety (DPS). Currently, approximately Six Hundred Eighty-eight Thousand Three Hundred and Thirty-seven dollars (\$688,337.00) of OEM's appropriated budget is allocated for the Office of Homeland Security. If these appropriated funds are transferred to DPS as a result of this measure, there is no anticipated direct fiscal impact to the state at this time.
