Fiscal Analysis

The CCR to SB 1380 creates a third licensure tier for long-term care administrators that the State Department of Health (OSDH) may issue under the Long-Term Care Administrator Licensing Act. Additionally, SB 1380 provides authority to the Commissioner to waive certain provisions of the Act and directs the Commissioner to establish rules to implement the waiver process.

Officials from OSDH do not anticipate this measure to have a negative impact on the department's budget, thus having no direct fiscal impact on the state budget or appropriations.
