Research Analysis

The committee amendment for SB 1513 clarifies that provisions apply to public schools rather than school districts and equal treatment should be given to employee organizations and corporations. The amendment also removes references specifically to statewide professional educators associations.

SB 1513, as amended, prohibits public schools from requiring employees to participate in, distribute communications or membership solicitations for, and grant access to employer resources for any employee organization or other membership association. The measure mandates equal treatment for all employee organizations and corporations seeking similar access or use of resources.
