

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB281
Version:	ENGR
Request Number:	
Author:	Rep. Talley
Date:	3/29/2023
Impact:	No state impact, see below

Research Analysis

SB 281 strikes the requirement that a TANF recipient be subject to the increment in benefits for additional children. The measure also exempts one automobile per household from the resource determination criteria.

Prepared By: Suzie Nahach

Fiscal Analysis

SB 281 modifies state law regarding the Statewide Temporary Assistant Responsibility System (STARS) within the Temporary Assistance for Needy Families program, a federal program. The measure strikes the language regarding incremental benefits for additional children and allows 1 automobile per household.

Prepared By: Stacy Johnson, House Fiscal Staff

Other Considerations

None.
