

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB33X
Version:	CS
Request Number:	68X
Author:	Rep. Wallace and Rep. Martinez
Date:	5/22/2023
Impact:	See Analysis Below

Research Analysis

The CS for SB 33X provides that \$10 million from the funds appropriated to the Department of Human Services be used for providing Home and Community-Based Waiver services for people with developmental disabilities. These funds will be used to provide additional services and program for persons with developmental disabilities in order to eliminate the Developmental Disabilities Services Division Waitlist.

Additionally, the Department will make permanent the supplemental daily reimbursement rate of \$5 for childcare providers. From appropriated funds, the Department will also maintain the funding levels for senior nutrition programs. The Legislature requires joint approval from the Senate and House before any senior nutrition sites may be closed. From the appropriated funds, the Department will transfer \$5.6 million to the credit of the Child Abuse Multidisciplinary Account. The measure appropriates all federal monies received by the state in the fiscal year ending June 30, 2024 from the TANF Block Grant and the Child Care and Development Fund Block Grant.
