

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB484
Version:	ENGR
Request Number:	
Author:	Rep. Boles
Date:	3/31/2023
Impact:	GRF: \$10,000,000.00

Research Analysis

The Engrossed version of SB 484 appropriates \$10 million to the Oklahoma Geological Survey for purchasing new or updated seismic monitoring equipment.

Prepared By: Emily Byrne

Fiscal Analysis

This measure makes a direct appropriation from the general revenue fund for FY-24 to the Oklahoma Geological Survey for ten million dollars (\$10,000,000.00). Therefore, there is a direct impact to the state budget of \$10 million dollars.

Prepared By: Mariah Searock, House Fiscal Staff

Other Considerations

None.
