Research Analysis

The engrossed version of SB 492 creates the "Wildfire Reimbursement Revolving Fund" and appropriates \$5 million into it. The Department of Agriculture is required to use the funds for reimbursing Oklahoma fire departments that worked to extinguish fires that were not fully extinguished in the first 24 hours and involved more than one fire department.

This measure creates the Wildfire Reimbursement Revolving Fund at the Oklahoma Department of Agriculture, Food and Forestry, then appropriates five million dollars (\$5,000,000.00) into the fund from the General Revenue Fund for FY-24. Therefore, there is a direct fiscal impact to the state budget of \$5,000,000.00.
