Bill No.:	SB494
Version:	ENGR
Request Number:	
Author:	Rep. Pfeiffer
Date:	4/11/2023
Impact:	\$0

Research Analysis

The engrossed version of SB 494 specifies that a crop producer will only be awarded damages due to negligent application of pesticides or unintentional drift if the damaged crops are insurable under the Federal Crop Insurance Corporation Program or are directly sold to the consumer.

The awarded damages may not exceed the compensation a producer has received for a proven yield from the affected area. If there is no proven yield, the award will be based on the county average yield.
