The engrossed version of SB 704 expands The Oklahoma State University Medical Authority to eight members by adding a position for a member of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges to be selected Chair of the Board of Regents.

The measure also allows for The Authority to hold meetings by videoconference, and establishes rules for the notice and recording of meetings.

The measure requires the Authority to provide funding to other entities for purposes related to public health, teaching, research, and the purposes of the Oklahoma State University Medical Authority Act.

The measure exempts the Authority and the Oklahoma State University Medical Trust from the Public Competitive Bidding Act of 1974 for the purposes of constructing clinical facilities, and defines clinical facilities.
