

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 1020
Version:	INT
Request No.:	1250
Author:	Sen. Kidd
Date:	01/31/2023

Bill Analysis

SB 1020 designates the State Board of Agriculture as the official plant pest and disease control agency of the state. The Board is empowered to promulgate rules relating to plant pests and plant protection as well as quarantine. The Board is also authorized to issue emergency orders governing plants to protect the citizens and plants of the state from diseases and pests of plants. Such orders shall expire on the date listed in the order or within 90 days. The order may be renewed for successive 90-day periods.
