Bill Analysis

SB 1049 authorizes municipal, county, and state employees to carry firearms if they possess a valid handgun license when acting in the scope of their employment. The measure provides that such employees may not carry a firearm into a courthouse, jail, or mental health facility. The provisions of this measure shall not be construed as a mechanism to allow municipal employees to carry a firearm as a duty or function of their employment with the municipality, municipal public trust, or municipal authority.
