Bill Analysis

SB 1201 creates the Oklahoma Service Lives On Act of 2024. The measure establishes an Oklahoma veteran's remarried surviving spouse pension. The pension shall be available to any surviving spouse whose federal pension was terminated by the United States Department of Veterans Affairs solely on the basis of the spouse remarrying another person, provided the surviving spouse meets all other eligibility criteria. The measure directs the Oklahoma Department of Veterans Affairs to create an application process for such spouses.
