

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1221
Version:	INT
Request No.:	2667
Author:	Sen. Weaver
Date:	12/05/2023

Bill Analysis

SB 1221 updates the term “child pornography” and changes it to “child sexual abuse material” as it relates to background checks and the criminal code. Sexual abuse material is broadened to include digital, computerized, or artificial intelligence-generated images indistinguishable from an actual minor.
