Bill Analysis

SB 1313 modifies the minimum salary schedule for certified school personnel beginning with the 2024-25 school year. It increases the salaries by \$1,500.00 for teachers with 0-4 years of experience; \$2,000.00 for teachers with 5-9 years of experience; \$2,500.00 for teachers with 10-14 years of experience; and \$3,000.00 for teachers with 15-25 years of experience. The measure removes language regarding implementation of the salary increases in school districts that do not receive certain aid. It also removes language regarding salary increases for certain technology center school district employees, correctional teachers or vocational instructors employed by the Department of Corrections, teachers employed by the Office of Juvenile Affairs, and teachers employed by the State Department of Rehabilitation Services.
