Bill Analysis

SB 1318 directs the Department of Human Services to develop a universal electronic eligibility and enrollment application for the State Medicaid program, the Temporary Assistance for Needy Families program, the Supplemental Nutrition Assistance Program, and the Special Supplemental Nutrition Program for Women, Infants, and Children. The application must be user-friendly, enable applicants to complete and electronically submit applications, and allow for the secure transmission of data among relevant agencies for eligibility and enrollment. The measure directs agencies responsible for administering the listed programs to coordinate with the Department to establish protocols and systems for sharing information.
