

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1535
Version:	INT
Request No.:	2660
Author:	Sen. Burns
Date:	01/02/2024

Bill Analysis

SB 1535 modifies the duties and membership of the Oklahoma Low Carbon Energy Initiative and the Oklahoma Low Carbon Energy Initiative Board. The measure requires the Board to promote the development of nuclear energy and adds 2 members to the Board. The newly added members are a representative from an electric utility appointed by the President Pro Tempore of the Senate and a representative from the nuclear energy industry appointed by the Speaker of the House.
