Bill Analysis

SB 1554 requires school district boards of education to include in their transfer policies an exception for the emergency transfer of a student who has been the victim of bullying or threatening behavior. The measure requires a receiving school district to approve the transfer upon verification from the sending school district that it was notified of an incident or incidents of bullying or threatening behavior. The bill also allows a transfer policy to include a provision prohibiting the transfer of a student who committed bullying or threatening behavior against a student granted an emergency transfer.
