

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1583
Version:	INT
Request No.:	2866
Author:	Sen. Hicks
Date:	01/08/2024

Bill Analysis

SB 1583 prohibits any high deductible plan offered in the state from subjecting prescription drugs used to treat chronic conditions to the annual deductible established by the plan. The measure directs the Insurance Commissioner to promulgate rules to establish a list of qualifying prescription drugs in consultation with the Oklahoma Health Care Authority.
