Bill Analysis

SB 16 directs the State Board of Education to establish a 2-year pilot program to provide grants to school districts to provide childcare for school district employees. The measure authorizes grants to be used to establish an on-site childcare facility on school district property, contract with a childcare facility, or provide stipends to employees to help cover a portion of child care-related expenses. The measure directs the Board to establish criteria for awarding grants. The bill also directs districts that receive grants to submit a report to the Board after completion of the 2-year pilot program.
