

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1729
Version:	INT
Request No.	2945
Author:	Sen. Deevers
Date:	01/18/2024

Bill Analysis

SB 1729 creates the Abolition of Abortion Act. The measure classifies any abortion as homicide and allows for the prosecution of the mother of the unborn child. Procedures taken to save the life of the mother as well as spontaneous miscarriages are not included in this provision. The measure clarifies that its provisions shall not apply to any act committed prior to the effective date.
