

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1808
Version:	INT
Request No.	3133
Author:	Sen. Dossett
Date:	01/23/2024

Bill Analysis

SB 1808 modifies the grant-making authority of the State Department of Health as it relates to the Choosing Childbirth Act. The measure provides that the State Department of Health may directly reimburse private organizations for services performed under the act as well as provide grants to grant-supervising entities as currently authorized. The measure provides that grant-supervising entities must not provide grants to private organizations by the State Department of Health for reimbursement of services.
