

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 182
Version:	INT
Request No.:	1198
Author:	Sen. Hicks
Date:	01/09/2023

Bill Analysis

SB 182 directs the Health Care Authority to provide coverage under the state Medicaid program for breast pumps prescribed by a physician, physician assistant, or advanced practice registered nurse. The measure provides that the state Medicaid program shall cover 1 breast pump per pregnancy including tubing or other necessary parts.
