

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 183
Version:	INT
Request No.:	1202
Author:	Sen. Hicks
Date:	01/09/2023

Bill Analysis

SB 183 directs the Health Care Authority to establish a reimbursement methodology for the state Medicaid program that reimburses for obstetrical care at hospitals designated as Baby-Friendly by Baby-Friendly USA at a rate equal to the product of the standard reimbursement rate for obstetrical care at hospitals multiplied by 1.25 using available funds.
