Bill Analysis

SB 1870 authorizes persons with a valid handgun license to carry firearms into any public college, university, or technology center school property or building in which the person is authorized to be. Administrators must demonstrate that the person has previously been involved in a violent incident or an act that demonstrated deliberate or reckless disregard for the health or safety of any person to prevent him or her from carrying. Such institutions may prohibit the carrying of a firearm during an event requiring a ticket of monetary value for entry to the event.
