

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 204
Version:	INT
Request No.:	1071
Author:	Sen. Dahm
Date:	01/09/2023

Bill Analysis

SB 204 requires any applicant approved to mitigate extraordinary costs associated with the February 2021 extreme weather event through a loan mechanism approved in the 2021 to proactively prepare for future weather events that may occur to protect consumers and prevent outages or extraordinary costs associated with a future extreme weather event. Such actions must be taken no later than January 1, 2029.
