Bill Analysis

SB 247 provides that monies from the County Community Safety Investment Fund shall be provided to the Department of Mental Health and Substance Abuse Services for distribution within or to counties. Authorized expenditures of the monies are expanded to include treatment and rehabilitation, education, supportive employment, healthcare, data collection, and related technology services. The measure also directs the Department to list qualifying evidence-based services eligible for funding and to issue a report to the Legislature and the Office of Management and Enterprise Services detailing expenditures by counties, assessing outcomes, and describing any continued need for funding no later than November 1, 2026.
