

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 255
Version:	INT
Request No.:	240
Author:	Sen. Rader
Date:	01/10/2023

Bill Analysis

SB 255 requires motor fuel containing more than 15% of ethanol to use a pump label that meets federal E15 labeling requirements as ruled by the Environmental Protection Agency.
