Bill Analysis

SB 264 requires every existing licensed medical marijuana commercial grower to inform retail suppliers or electric cooperatives utilized of its status as a licensed medical marijuana commercial grower within 30 days of the effective date. Growers receiving a license after the effective date shall be required to inform such suppliers and cooperatives at the time of the connection of services. Licensed growers are also required to transmit monthly reports to the Oklahoma Medical Marijuana Authority providing the amount of electricity and water consumed. The measure directs the Authority to establish an electronic procedure for monitoring, collecting, and transmitting licensed medical marijuana commercial growers' monthly usage of electricity and water provided by retail suppliers or electric cooperatives.

The measure also establishes the Oklahoma Medical Marijuana Authority Board, which shall consist of 10 members. Each member shall serve a term of 4 years and shall be exempt from dual-office-holding prohibitions. Members shall be required to meet at least 4 times per year. The Board is established as the rulemaking authority of the Authority.

CCR Changes
