Bill Analysis

SB 454 requires any local conservation district that receives notice from a landowner of eradication efforts on his or her property to forward the notice to the Oklahoma Conservation Commission. The Commission shall notify the Department of Transportation or the Oklahoma Turnpike Authority and shall advise on recommended plans for eradication of harmful woody species on the right-of-way affected by the eradication efforts. The measure directs the Department or Authority to eradicate all harmful woody species on the right-of-way within 100 yards on any side that adjoins the property of a qualified landowner within 1 year of receiving the notice.
