

**Bill Summary**  
1<sup>st</sup> Session of the 59<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 460</b>
<b>Version:</b>	<b>CS</b>
<b>Request No.:</b>	<b>1728</b>
<b>Author:</b>	<b>Sen. R. Thompson</b>
<b>Date:</b>	<b>02/10/2023</b>

**Bill Analysis**

SB 460 expands “video services” as it relates to regulating and licensing of video service providers by municipalities to include providers of direct broadcast satellite service and providers of digital audiovisual works delivered over the Internet. The CS updates statutory language and specifies that video services shall not include direct-to-home satellite services that are transmitted from a satellite directly to a customer’s premises without using or accessing any portion of the public right-of-way.
