Bill Analysis

SB 514 modifies the membership of the Oklahoma Energy Resources Board. The measure increases membership on the board from 18 to 23 members and provides that each member shall serve a term of 3 years. The measure also provides that a majority of the 3 appointing authorities may vote to remove appointed members of the Board who are independent oil and/or gas producers. The remaining members of the Board may be removed by a majority vote of the then serving Board members. The Board is empowered to elect its own chair and vice-chair, who shall serve a term of 2 years. The Board is also directed to provide site reclamation services in addition to its other duties.
