SB 546 requires any organization accepting money or anything of value for prepaid cemetery merchandise to electronically file all applications and fees. The measure also provides that a permit that was not renewed may be renewed within 90 days of the expiration provided the applicant submits a fee in an amount that is double the renewal fee in a form and manner prescribed by the Insurance Commissioner and any other transaction or fees deemed necessary by the Commissioner. Each permit holder shall electronically submit any change of legal business name, doing business as or assumed name, address, or contact email address, and any necessary fees within 30 days after the change occurred along with a \$50.00 fee for the change. Licensees shall also have 20 days to respond to any inquiry from the Commissioner. The CS specifies that the initial \$200.00 application fee shall be accompanied with any transaction or other applicable fees.
