Bill Analysis

SB 609 requires the Department of Public Safety to complete an inspection by an officer of a wrecker vehicle as part of the licensure process within 10 days of request by an applicant. The measure also requires the Department to provide 30 days' notice of its intent to revoke or suspend a wrecker's license. The licensee may appeal the revocation or suspension. The measure requires every wrecker stored in an outdoor storage facility or storage lot to be maintained. The measure provides that any wrecker on scene after being called to the service location by law enforcement who does not get to service the call due to another operator or service who was also called to the service location obtaining the job shall be compensated at a rate of \$150.00 within 30 days.
