Bill Analysis

SB 746 modifies “quality event” as it relates to the Oklahoma Quality Events Incentive Act. The measure provides that events held in a county with a population of less than 100,000 persons or in a municipality with a population of less than 10,000 persons located in a county with a population exceeding 100,000 persons shall not be held more than once per year and that 25% of its attendees shall be comprised of residents from outside this state. The measure limits events held along the route of or containing within its boundaries, a National Scenic Byway or State Scenic Byway to 1 driving related event per year.
