Bill Analysis

SB 758 modifies background check requirements for medical marijuana business employees by requiring such persons to complete a national fingerprint-based background check conducted by the Oklahoma State Bureau of Investigation. The measure also directs the Oklahoma Medical Marijuana Authority to review the medical marijuana credential application of such employees and to issue credentials to employees who successfully complete the application process. The measure requires the Authority to state the reasons for a rejection.

CCR Changes

The Conference Committee Report for SB 758 completely replaces engrossed language with the language described above.
