

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 801
Version:	INT
Request No.:	548
Author:	Sen. Coleman
Date:	01/25/2023

Bill Analysis

SB 801 authorizes municipalities to alter planning or zoning procedures to determine or forbid medical marijuana business from operating in certain areas. The measure provides that medical marijuana businesses operating prior to such a change may continue to operate until such time they are no longer licensed by the Authority.
