

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 810
Version:	INT
Request No.:	621
Author:	Sen. Garvin
Date:	01/25/2023

Bill Analysis

SB 810 authorizes the Oklahoma Medical Marijuana Authority to exempt a medical marijuana business licensee from medical marijuana transportation requirements if the licensee is transporting medical marijuana waste between licensed facilities held by the licensee. The Authority may, at any time, revoke this provision if the licensee violates medical marijuana transportation requirements provided for in current law.
