**Bill Analysis**

SB 839 modifies the Education Open Transfer Act beginning June 1, 2024. The measure removes language allowing a transfer at any time of the year and allows a transfer only 1 time per school year, rather than 2 times. The measure directs a school district to establish its capacity on June 1 each year, rather than the first day of January, April, July, and October. It requires transfer applications to be filed between July 1 and July 15 beginning in 2024.
