Bill Analysis

SB 885 requires electric utility and water suppliers to monitor and report suspicious usage data from a customer engaging in a commercial medical marijuana operation to the Corporation Commission. The Commission shall review the usage data and shall refer the data or its findings to the Oklahoma Medical Marijuana Authority, Oklahoma State Bureau of Narcotics and Dangerous Drugs Control, or local law enforcement for investigation. Persons found to misrepresent or fabricate data shall be guilty of a felony and subject to a maximum fine of \$10,000.00 and/or a maximum term of imprisonment of 2 years.
