

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 919
Version:	INT
Request No.:	1638
Author:	Sen. Jett
Date:	01/27/2023

Bill Analysis

SB 919 requires every licensed hospital, medical facility, or long-term care facility to publish all policies and procedures of the hospital, medical facility, or long-term care facility on its website. Such entities are also required to establish a policy that tracks any and all changes to a patient's medical records. The measure authorizes patients to access their own medical records upon request as well as the records of a minor child or incapacitated adult under their care.
